

WHAT DO YOU ENVISION?

Can't find your dream cabinets or design? Ready for a kitchen that's uniquely you? We design and build custom furniture, cabinets, bathrooms, home offices, and more!

XTREME
WOODWORKS LLC
"Specializing in custom cabinets & furniture"

Realize your dream...

We work with you to determine the best way to design your dream based on the way that you use your space, there are no standard wood species or standard finishes.

Describe it and we'll build it and install it, so all you have to do is turn on the light to your gorgeous new room.

Let's discuss your project today!

Xtreme Woodworks, LLC

Custom built cabinets, mantels, bathrooms, entertainment centers, furniture, and much more...

Xtreme Woodworks, LLC was established to offer quality cabinets and furniture at a fair price. We have been building cabinets and furniture for more than twelve years, bringing experience and excellence to all our clients, big and small.

We work on a philosophy of craftsmanship, customer service, and attention to detail giving you consistent attention from the first quote - all the way through to the installation of your new piece.

We look forward to working with you and your family in helping to make your house into a home.
